FOCUS ON STEWARDSHIP!

(we continue to highlight aspects of prayer, service, and sharing, living Stewardship as a Way of Life.)

COME PRAY WITH US

Did you know that after the 7:15 daily Mass a group of people always stay to pray the rosary?

If you come to the early Mass, please try to stay that few extra minutes to add your voice in prayer with this special group.

STAFF MEETING TIME

The employees of St Willebrord hold their weekly staff meeting every Monday from 2:00—3:30. So no one is available to answer phones or the door. Please refrain from calling/coming during that time.

Thank you for your understanding.

**AN INVITATION FOR YOU. IT IS AN HONOR TO PROCLAIM THE WORD OF GOD,
AND AN HONOR TO DISTRIBUTE THE BODY AND BLOOD OF CHRIST.**

We have a Special Invitation for you. Watch the Liturgical Ministers at Mass. Talk with them. Ask yourself: "Could I do that? Could I serve God's people at Mass?" - WE NEED YOU !! What is a Liturgical Minister? A proclaimer of the Word, an altar minister, a commentator (an announcer) and Communion distributors. We help Fr. Ken and the other priests at the altar. We serve God's people, YOU.

We belong to teams – usually 7- 10 people per service. Most of us serve every other week-end in whatever role best suits us. The 5 PM Sunday (English) Mass especially needs new liturgical ministers - but all teams would welcome your service. Check the bulletin for the Mass time that would fit your life best.

To address four of the biggest concerns you might have – ...or "these might be reasons for NOT stepping forward"):

-- "I'll make mistakes": Don't worry about "making mistakes"! Training is provided – along with enrichment sessions you can choose to attend during the year.

-- "I'm too busy, can't be tied down." If a personal event or special reason turns up on our week-end to serve, we can take "time off". (Having enough people on the teams makes it easier to find alternates for the service.) Again, your team serves just twice a month.

-- "I don't want to talk in front of people." If you are not in the role of Minister of the Word or the commentator, you will not be "speaking in front of everyone". Distributing communion is one of the most important and meaningful roles - and requires one simple phrase "Body of Christ" or "Blood of Christ".

-- "I'm too nervous." After the first couple services, you'll be "a natural" just like all of us. There's plenty of support from the team members when someone new joins us.

With 16 English and Spanish Masses liturgical teams (and more who help with daily Masses as well), you can see that this is an important ministry and requires significant numbers of people. For various reasons (illness, death, moving away), a number of teams are short on members. We need God's people to step up and continue this ministry to God's people. Contact Sr. Melanie (920-435-2016), Toni Rozek (920-619-3030) or any of the liturgical ministers for more information.

Please pray over this and ask yourself how YOU could serve. Please accept our invitation -soon.

IN THE COMMUNITY

Church Picnic: Sunday, June 27 at Nativity parish. Until 4pm; entertainment, food, bakery, raffle.

Fireside Bus Trip: to see "Ring of Fire" July 28. Cost is \$83. Contact the Nativity parish office at 499-5156 for more details.

Retreat to Chamber's Island in Door County: to be still and grow in your relationship with God. There are many fine retreats being offered this summer but outstanding directors. Check out the list in the pamphlet rack outside the gathering space on the bulletin boards or go to www.gbdioc.org/holyname for more information. Each retreat has a different focus with different directors. Some are just for men, some just for women, and some are meant for both. Please examine the possibilities carefully—there are some wonderful themes and great people involved.

MASS INTENTIONS

You may notice that when we print the Mass Intentions each week that there are occasional blanks.

We encourage you to contact the office and talk with Alma or Diane to schedule Masses (but not on Mondays please!) on behalf of a loved one. You can usually get a Mass said right around your requested time frame. Weekend Masses are usually more full than week days (except 5pm Sunday is often available).

The policy is that there can be no more than one Mass per month for anyone, and that there can be no more than two weekend Mass intentions for someone in a six month period of time.

SOCIAL JUSTICE INFORMATION

In light of the recent debate over Arizona's new immigration law, Our Sunday Visitor asked Bishop John C Wester of Salt Lake City, chairman of the U.S. bishops' Committee on Migration to answer some of their readers' toughest questions about the Church's position on immigration. Fr Ken asked that these questions be put in the bulletin between the May 30 and June 27 issues.

QUESTION #5

What kind of immigration reform do the bishops want exactly? Amnesty? Open borders?

ANSWER:

Neither. The U.S. bishops' prescription for mending our broken system is to bring the 11 million undocumented out the shadows, register them with the government, require them to pay a fine and any taxes owed, and require them to learn English and work as they wait in the back of the line for a chance for citizenship. This is not "amnesty", which is generally defined as granting a benefit without anything in return.

The U.S. bishops would also support an increase in family-based and employment-based visas so that immigrant families could migrate to the United States in a safe, legal and controlled manner, and not be subject to the abuse of human smugglers or to death in the desert.

It is our view that making changes to the legal immigration system will help ease pressure on our border by taking undocumented immigrants out of the enforcement equation, freeing up law enforcement to focus upon those who are here to harm us—drug smugglers, human traffickers, and would-be terrorists—and not those simply looking for a job.

We also believe, as mentioned earlier, that Congress should examine how the root causes of migration can be address, so that migrants can stay where they are and work in dignity.

Copies of this entire series is available at the entrances to the churches.

SPRING AND SUMMER BUILDINGS AND GROUNDS PROJECTS

After careful analysis, in consultation with the buildings and grounds people, and with the approval of both the parish and finance councils, we have begun several projects for our buildings. They are as follows:

- ♣ New doors for the Adams Street entrances. Total project cost: approximately \$13,500 **SHOP DRAWINGS ARE COMPLETE** and the doors are ordered. It will take approximately 4 weeks to get them in. So in mid July we expect to install them. Steeple lighting from the bank. Cost: \$1,100. **FINISHED!**
- ♣ Spotlights on our Adams Street entrance statues. Total project cost: approximately \$1,000 **FINISHED!**
- ♣ One additional hallway light. Project cost: approximately \$350 **FINISHED**
- ♣ Overflow projection needs. Several times each year (about 8 for sure), we need to project liturgies or events from the church to the parish hall. We need to change some wiring, add cameras, and update the projection system in the parish hall. Approximate cost: \$15,000. One private donation has already come in ear-marked towards this project. The proper cameras and wiring are now identified. Final measurements and testing being done.
- ♣ Parish hall window treatments. Total cost: \$2,400 **WINDOW TREATMENTS ORDERED**
- ♣ Bulletin boards. We want to replace them with enclosed boards, similar to those where we mount photos outside the gathering space. Approximate cost: \$900.
- ♣ Sacred Heart and St. Therese statues are in need of repair. Approximate cost: \$1,500. Restricted donation for statues received. They are presently "in the shop" and will be back in a few weeks.

Total approximate cost of all of these repairs \$35,500.
